

With apples grown at **almost 1000 metres** above sea-level on the **Ritten in South Tyrol** plus our strict quality criteria, we produce **all-natural** gourmet **mountain apple juices**: both **single-variety** juices and **cuvées** of apple juice with perfect partners or fascinating aroma extracts - and as a very special highlight our limited-edition **Grand Cru** juices made from almost forgotten apple varieties. **Kohl mountain apple juices** are an ideal **thirst-quencher** at any time of day or night and **a fine and elegant alternative** to wine with your meal.

Mountain apple juice Calidum

Product line: CUVÉE

Sales description: fruit juice with apple (80%), elderberry (20%) & spices

Juice composition of our ripe, hand-picked mountain apples, elderberries and spices.
Guaranteed natural and unadulterated.

Winterspecial Calidum: fruity, spicy, with light sweetness and full-flavored

Ripe apples and elderberries, gently pressed and composed into a velvety cuvée, are best served hot in the glass. Star anise and cinnamon enclose the deep, warming aromas and provide a sense of well-being for the soul and mind.

Serving temperature: 60 - 70°C

Especially recommended as a hot non-alcoholic drink

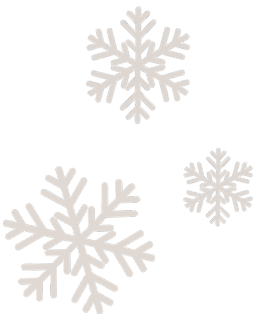

Kohl mountain apple juices are **carefully pasteurised** for long life but contain **no preservatives or added sugar**.

Our mountain apple juices do not contain gluten. They are digestible for people with coeliac disease.

Store unopened bottles in a **cool and dark place**. Once opened, keep in a refrigerator and drink within 6 days.
